This vibrant association plays a crucial role in supporting the institution both financially and academically, demonstrating an unwavering commitment to the college's growth and success.

Despite the challenges posed by the COVID-19 pandemic, which rendered physical gatherings impossible, our alumni displayed remarkable resilience and dedication. They adapted to the circumstances by providing essential local assistance to those in need during this unprecedented period, highlighting the spirit of community and service that defines our alumni network.

A shining example of our distinguished alumni is Dr. J. Lakshmi, a prominent figure in the field of Food Science and Nutrition.
