

Internal Quality Assurance Cell of

Govt. College for Women
(AUTONOMOUS) - GUNTUR. 1942 (Estd.)
College with Potential for Excellence

invites you to the One day National Webinar on
Post-Lockdown Academic Challenges in Higher
Education Institutions

On 28-05-2020
(From 10 A.M to 5 P.M)

Government College for Women (A), Guntur established in 1942, in 10 acres, is fully equipped with laboratories and ICT enabled classrooms and bagged 'B++' grade with a CGPA of 2.92 during the recent NAAC accreditation process (RAF). It has completed 76 years of committed service enabling the rural women students in terms of education and employability. With 25 UG Programs and 4 PG Programs and with CPE, Autonomy and RUSA grants as feathers in its cap, the college is marching to strive for the betterment of Rural Women Students.

The College has 23 departments including Bio-Chemistry, Microbiology and Bio-technology with 1800 students on rolls and several restructured courses. The Institution is also offering scholarships and hostel accommodation for the poor students and takes special care in the case of challenged students.

The college received Autonomy, CPE and RUSA grants for development and the classrooms are being upgraded to provide digital learning experience. The Library of this college is digitized and offers digital editions of books and magazines for enhancing skills.

The staff of the institution are qualified and work with commitment, dedication, and research orientation. A great number of the staff of this college are Ph.D holders and are acting as Resource Persons, Content Generators, Authors and Research Supervisors. The teachers are highly committed; follow student-centered methods and most of them are honoured as the best teachers by the State Government and other agencies.

Present Context:

As is being observed the COVID-19 has been creating a disastrous impact on human life and various walks of development have come to a grinding halt and standstill position. But to face life courageously and to push the wheel of progression further we all need to face this Corona threat with a united effort. We should get ready to face a different situation, a changed scenario with certain restrictions for safety in the post-lockdown context.

As it is our essential responsibility as stakeholders of higher education to protect the bright future of students by instilling courage and confidence in the wake of the ghastly pandemic, and as it is our essential duty to observe and follow certain measures for safety, the IQAC of Government College for Women (A) has come up with the idea of conducting a National level Webinar to invite suggestions from experts to face this situation.

We request all Experts related to various areas of education, Principals and Teachers to contribute for the success of this webinar as it certainly helps to give a direction to many.

Sub themes:

Admissions in the Post-Lockdown Times, Classroom Management, Campus Management, Hostel Management, Office Management Problems Encountered in On Line Teaching – Solutions, Combining Synchronous and Asynchronous Education, Distancing for Safety Educating Parents, Preventing Drop-out Rate during Post-Lockdown Psychological Issues among Students and Parents Handling the Stress Issues in Teachers and Students, Need for Health Education and any other related issue.
